Corporate Culture

- Honesty and Sincerity
- Open-minded, Aggressive
- Active and Responsible
- Harmony and Unity

Principles

- Strive for Excellence
- Long-term Operations
- Profit Creation
- Feedback to Society

The core mission of our enterprise is to provide endless innovation and improvement in order to maximize the benefit for our customers, employees, shareholders and society.

Mean Well nurtures their employees potential abilities while developing excellent products at optimum CQTS (Cost, Quality, Delivery time and Service) to satisfy customer's requirements. Then enterprise can create the profit that is shared by employees and shareholders.

The enterprise also needs to feedback its profit to society and make a re-investment for improving company's operation system in order to pursue long term operation and enlarge the company benefit.
